DETAILED ACTION

This Office action is responsive to the amendment filed on June 20, 2005.

1. Claims 32-35 are allowed and renumbered as 2, 3, 4, and 1, respectively.
2. The following is an examiner's statement of reasons for allowance:

The prior art taken either singly or in combination fails to anticipate or fairly suggest the intermediate mounting substrate being adapted for connection to a printed circuit board, the intermediate mounting substrate having a coefficient of thermal expansion different from a coefficient of thermal expansion of the chip carrier and smaller than a coefficient of thermal expansion of the printed circuit board, as recited in claim 35.

Since claims 32-34 depend on claim 35, they are also allowed.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Luan Thai whose telephone number is 571-272-1935. The examiner can normally be reached on 6:30 AM - 5:00 PM, Monday to Thursday.
